

Curriculum Vitae

Name, surname: Ivan Baláž
Date and place of birth: 21.1.1976, Nitra
Nationality: Slovak
Address: Mojmírovce 693, 951 15
e-mail: ibalaz@ukf.sk
Status: married, son Alex

Education

2010 December 3, 2010 – habilitation lecture „The influence of landscape utilization of Slovakia on chosen species of small mammals“ and habilitation thesis „The influence of altitude on the synusias and biology of small mammals under conditions of Slovakia“ in field of study 4.3.1 Landscape protection and utilization

2000-2003: PhD study - internal form- Environmental science 39-15-9, dissertation thesis „Ecology, somatometry and distribution of species of gender *Sorex* in Slovakia“

1994-1999: Constantine the Philosopher University (CPU) in Nitra, Faculty of natural sciences, – Masters in pedagogy of general-educational subjects, teaching qualification: biology – ecology

1990-1994: High school, Párovská street, Nitra

Work

Since 2010 Vice-dean for International Relations and Development at the Faculty of Natural Sciences CPU in Nitra and the Chairman of the Editorial Commission at the Faculty of Natural Sciences

Since 2006 the Member of Academic Senate of CPU in Nitra (the Member of Economic Commission of Academic Senate of CPU in Nitra), the Member of Editorial Commission of the Faculty of Natural Sciences

Since 2008 Lecturer at the Department of Ecology and Environmental Sciences, FNS CPU in Nitra

Since 2003: Researcher at the Department of Ecology and Environmental Sciences, Faculty of Natural Sciences, Constantine the Philosopher University in Nitra

1999-2000: Secondary school teacher, Golianova street, Nitra

Scientific specialization

Ecology and Biology of Small terrestrial mammals and their Ectoparasites (fleas)

Foreign stays

Research stay in Poland (Białowieża) headed by prof. AMU Leszek Rychlik (January 26, – February 9, 2009)

Scientific stay in Poland (Adam Mickiewicz University in Poznan) headed by prof. AMU Leszek Rychlik (June 1 – June 30, 2010)

Language

English (level CEF– B2)
German (advanced)

PC abilities

Microsoft Office: Word, Excel and Power Point
GIS software: Arc View

Membership and function

Slovak Ecological Association SAS – SEKOS
Slovak Zoological Association SAS - SZS
Slovak Ornithological Association - SOS
Raptor Protection of Slovakia (RPS)
Non-Governmental Organisation Pangaea
Member of Examination Committee for Bachelor Exam at the Department of Ecology and Environmental Sciences

Projects:

Project leader:

- VEGA 1/4344/07 - Fauna and Ecology of small terrestrial mammals (*Rodentia*, *Insectivora*) in proposed Special Area of Conservation Rokoš (in Strážov hills) (2007-2009)
- CGA V/1/2005 - Multimedial textbook of environmental education for elementary and secondary schools (2005-2007)

Researcher:

- VEGA 2/7164/20 - Ecological and hydrological optimisation of Paríž stream in consideration of biodiversity protection of Ramsar locality – NNR Paríž marshland (2000-2002)
- VEGA 1/1277/04 - Ecological assessment of landscape diversity and biodiversity of Nitra city and its surrounding (2004-2006)
- VEGA 1/2364/05 – Assesment of biodiversity, ecology and biology of small ground mammals in representative biotopes of Žitavská and Nitrianska pahorkatina which have a different level of anthropogenic load (2005-2007)
- KEGA 3/0181/02 – The conception of study programmes and preparing of textbooks for environmental ecology (2002-2004)
- KEGA 3/3087/05 – Activating methods of educational process in landscape-ecological and environmental sciences at universities (2005-2007)

ESF – projects:

- A-CENTRUM – Grant scheme of human resources development 2002/000.610-15, Quality of labour market: support of special courses and additional education (2005-2007)
- A-CENTRUM 21 - A-Centre for 21. century – From attendance to distance education (1.3.2006-29.2.2008)
- www.prirodovedec.sk - FPV UKF, 1.11. 2006 – 30. 11. 2008
- Nitrianska mladá veda - FPV UKF, 1.1. 2007 – 30. 11. 2008
- ELBIEN - English Language in Biology and Environmentalistics
